## Culpeper County High School For the School Year 1968-69

As student population increased, the present facilities proved inadequate, making additional space and equipment mandatory. Plans and dreams materialized into reality, while day by day the new school building took shape. Finally, as the building neared completion and a dream became tangible, community, faculty, and students anticipated goals beyond the horizon, creating, for all concerned, a new El Dorado.

All other students attend fourth period before eating. The congestion in the corridor is also partially caused by the Piedmont students who are leaving the cafeteria to board buses for their afternoon classes.

## STUDENT LIFE

Bustling and crowding, nearly 1,000 students filled the school to a bulging capacity. More students brought more activity. With involvement playing an important role, three seniors were recognized by the Outstanding Americans Foundation for their contributions to school life. Elections and new or renovated committees including coaching classes and a pep club kept all busy.

# Growing Freshman Class Swarms Halls

**AVID FANS**—Devil supporters turn out in great numbers for the opening game only to see George Mason High School down the Culpeper Blue Devils 16-6.

**OUSTED HOMEROOM**—Since Room 5 was used for book sales, Mrs. Irvin Wolf's homeroom sought a quiet and educational refuge in the back of the library.

Freshmen, numbering three hundred and sixteen, stormed the doors of CCHS on August 26. The usual chaos resulted when the 8:50 bell was misinterpreted. A homeroom was placed in the library when Room 5 was used for selling books.

Buying insurance, activity tickets, and books, and changing schedules kept students and teachers busy for the first full week of school.

Under the direction of the new principal, Mr. Glenn Piper, the students' parking lot underwent several improvements. Seniors occupied the greatest number of spaces, with juniors and DE and VOT students filling in.

Despite camera troubles, staff completed taking individual pictures for the *Colonnade* on schedule Sept. 10 and 11.

**WORK BREAK**—Warm weather lured Sue Shifflet and Eddie Kinsey outside to rest between classes.

College bound students and vocational trainees attended a program, the first of its type to be presented, on post high school loans and aid. Miss Luerena Zinn, head of guidance, scheduled the program for students and their parents.

Steve Will, president of the Hi-Y and Linda Schaeffer, president of the Tri-Hi-Y, inducted new members into their clubs at the Methodist Church on November 10. Rev. Hugh Winston and Linda Fisher spoke on Y-club importance.

Students had an extra day vacation as a snow storm closed school for one day.

**BRIEF SNOW**—Two brief snow storms closed Culpeper and nearby county schools for two days during mild November, December, and January weather.

Juniors and seniors viewed skits on employment interviews on December 10 in the gym. Two C & P telephone representatives gave helpful hints for good job interviews.

As their annual program the Y-clubs enacted the first Christmas for the student body on December 20.

Christmas spirit reigned high as art students decorated the halls and gym for the annual band concert with original paintings and decorations.

Students returned to classes on January 5 to face mid-term exams which started January 14.

received pamphlets on how to apply for a job, and on tips concerning job interviews and careers in the business world.

# Redskin—Faculty Game Aids Heart Fund

Washington Redskins invaded the gym to tackle the faculty on the basketball courts February 22. Redskin fans lined the gym to watch Bobby Mitchell and Chris Hanburger dribble and pass. Mr. George Foussekis, Mr. Gerald Bobbitte and Mr. Paul Fox ran up points and snared rebounds. Although the faculty led at halftime, the Redskins won 67-54. Proceeds went to the local Heart Fund.

Wrestlers took to the mats as the Battlefield District Tournament was held on February 15 in the gym. At the end of a long afternoon of matches, Orange County was declared District Champs. Three veteran wrestlers, Kenny Mills, Stanley Hawkins, and Alan Blosser, attended the State meet at Bristol, Virginia.

Seniors piled on privileges, as only they could come in the main doors after 8:40. Underclassmen had to use the side entrances to avoid congestion in the main hall.

GRADUATION PREPARATION—Mr. Floyd Binns, Senior class adviser, helps Nancy Longerbeam, Jerry Powers, and Gary Lillard pick graduation announcements and calling cards.

the theme and colors for the prom to be held in the gym on May 17.

# AFS'ers Give Brief Resumé of Homeland

Six foreign exchange students living in the Washington, D. C., area arrived in Culpeper on February 27 to spend four days with CCHS students. In the assembly held on February 28, Martha Bradley, AFS committee chairman, introduced the guests who talked about their homes, schools, and customs.

As their annual money making project, the Girls' Athletic Association played a game against the faculty on March 7 on the gym courts. Proceeds from the game and bakery sales went to a club sponsored scholarship.

Planning posters and speeches occupied most students' minds as primary run offs held on March 6 selected candidates for the main election scheduled for March 14. As a result of last year's campaigns, masking tape and derogatory speeches were not used.

CCHS hosted the District Forensic meet on March 18. Several classes judged were poetry reading, public speaking, and prose.

As the school came to a close, Seniors wandered through their daily schedules with relief and nostalgia. With invitations, calling cards, caps and gowns ordered, Seniors looked forward to Class Day and Graduation.

**PROTECTING A SENIOR PRIVILEGE**—Gary Lillard checks Jim Dean's hall pass while monitors Jimmy Floyd, Mac Mitchell, and Chip Yancey watch. In answer to the hall

compromise, all CCHS students had to show identification passes to be admitted into the main hall.

## ORGANIZATIONS

Foreign language enthusiasts revived clubs which enriched members' knowledge of the customs of French speaking people and of the ancient Romans. Demonstrating a willingness to strive for changes, committees worked to alleviate congestion in the halls and tried for senior exam exemption. All clubs served the school through projects, cooperation, and active spirit.

# SCA Gives Athletic Team Representation

Reacting to the requests of athletes and coaches, president Andrew Davies introduced to the SCA council the idea of team representation and voice in the group. A majority of members at the October meeting voted "aye," admitting one athlete from each sport in season.

Supervision of Homecoming activities and the sale of Blue Devil cushions filled early autumn days. After being introduced to the student body, councilmen pledged their service to the school in an installation service October 10.

"Who Will Answer," the state SCA theme, was background for the Fredericksburg District Conference at Spotsylvania Junior High School on October 19. Twenty-five delegates heard keynoter Mr. Jerry Deviney of Virginia Beach and then adjourned to discussion groups. Cathy Nicholls led the discussion of projects.

To insure quicker repair or replacement of faulty classroom equipment, the council formed a first-time committee of maintenance advisers at the November meeting. The students informed officials of immediate needs.

Officers and class presidents toured the construction site of the new high school in December.

## FUTURE TEACHERS OF AMERICA

# Future Teachers Start Coat Check Stand

Supporters of the Blue Devils at basketball games found a new service provided for them by the Future Teachers of America. At all home games members operated a coat-check stand, using Room 10 as a storage center for coats and hats.

For a fee of ten cents, fans could rid themselves of hauling bulky winter wraps into the bleachers and be free from the possibility of dropping coats through spaces in the stands.

Back-to-School Night brought parents to the annual marathon of following students' schedules. FTA-er's helped the PTA serve refreshments to the group weary from rushing to ten-minute classes. The girls prepared a table of goodies for

the Culpeper County Education Association in December.

Principal Glenn C. Piper spoke to the girls at their November meeting, explaining the responsibilities and educational requirements of a school administrator. He also discussed certificates required of teachers and the qualities necessary in a good educator.

Using the profits from their coat-check service, the FTA presented a fifty dollar scholarship to an outstanding senior member upon graduation.

Teen-age education was the subject of a film-strip shown at the October meeting. Members viewed new techniques used in many other high schools.

**FRAMING A CONSTITUTION**—President Patricia White and adviser Mrs. Malcolm Mitchell place the FTA Constitution under a glass cover. # NHS-ers Offer First Coaching Sessions

INITIATE IDENTIFIED—NHS secretary Suzanne Nair pins a yellow beribboned tag on sophomore Margaret Graves at the tap-in service in November.

As exam time drew near, junior and senior class members of the National Honor Society boned up on subjects they had taken in order to help students having difficulty. A coaching class, a first-time venture for the club, gave CCHS'ers a chance to receive aid in their weak subjects.

A student requesting coaching placed his name in a box labeled for the particular subject, and a committee assigned a specific time and coach to that student. Under faculty supervision, NHS-ers held regular sessions before school from 8:00 to 8:30 and after school from 3:15 to 4:00.

Scooping forty-eight dollars out of the treasury, the National Honor Society purchased a blue and gold banner which was displayed during the club's assemblies.

Veteran members tapped thirty-nine newcomers into the club in a special ceremony in November. Each went out into the student audience, tapped a prospective member, and returned to his seat while both were recognized.

After the assembly, a coffee hour in the cafeteria welcomed the initiates and acquainted their parents with the purposes of the organization.

# Bus Drivers Find Aid In Safety Patrol

Approximately twenty-four safety-conscious students attended the initial meeting of the Safety Patrol in September. Assisting local school bus drivers, members helped keep order and prevent hazards going to and from school throughout the year. Discussions about ways to best carry out these duties included even those who did not ride buses, but had ideas and objective viewpoints.

Safety Patrol executives reserved one meeting for the sole purpose of learning additional information about safety in several respects. A member of the Virginia Department of State Police was invited to join the discussion and show a film on one of a group of topics from which the club was allowed to choose.

Deciding that new titles for officers of the organization would be appropriate, president, vice president, and treasurer became captain, lieutenant, and sergeant, respectively.

# Junior Dramatists Aid Senior Club

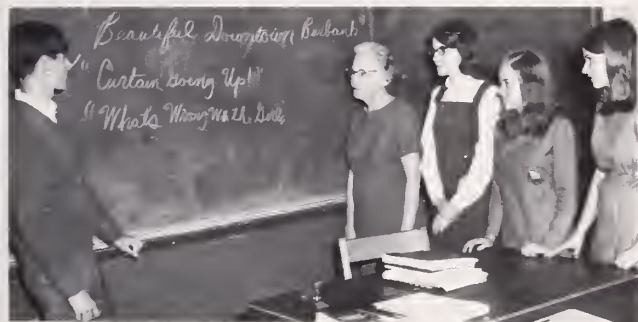

After two years of dormancy, junior dramatists sprang to life once more as they broke away from senior members to form their own club again. Working as a division of the Cloak and Dagger Club, they shared the basic goals of the larger organization and participated in many of its activities.

Advised by Miss Mildred Jones, the Junior Cloak and Dagger Club contributed some of its talents to the Cloak and Dagger production of "Curtain Going Up" in November. Several of the students took parts in the three-act play while others assisted with make-up, sets, and properties.

A one-act comedy, "Make Room for Rodney," presented as an assembly held January 9, entertained the entire student body. Members chose another production which they presented in the spring.

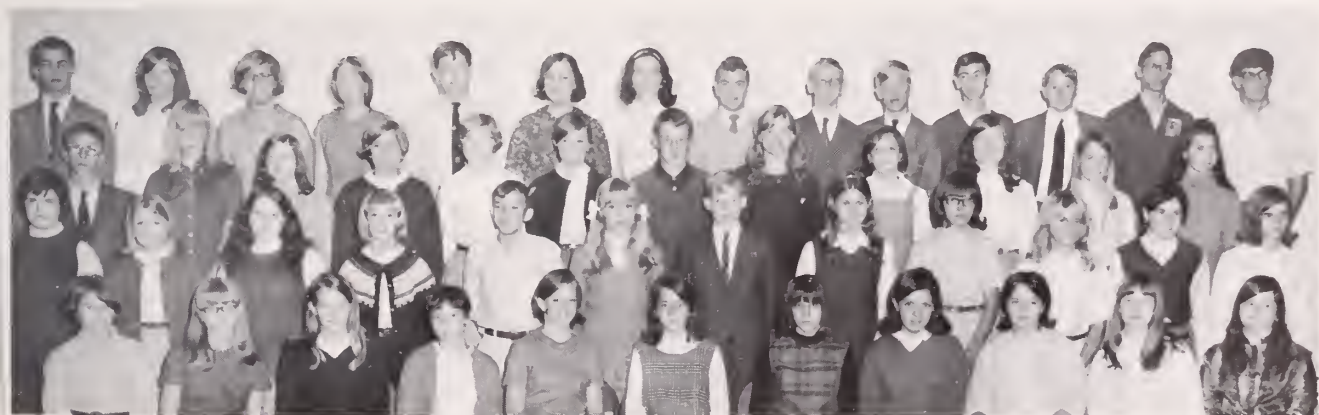

**MAKE-UP, MAN!**—Neal Goldsborough puts his artistic talents to work as he daubs make-up on Douglas Rosson before going on stage.

# Senior Club Presents "Curtain Going Up"

Slap! Crash!—Painful sound effects rang through the CCHS gym as Deborah Fifer vented her anger on Samuel Walker and Douglas Steele in the Cloak and Dagger Club's colorful production of "Curtain Going Up" in November.

Throughout the three acts of the comedy, the cast of junior and senior dramatists, assisted by Junior Dramatics Club members, portrayed a group of high school students who struggled through the fun and problems of staging a successful play.

Advertising by posters, announcements, and skits on the CCHS public address system and on the local radio station, members found their promotion efforts rewarded by a large turn-out on the night of the play. At a cast party after their production, they presented a gift of appreciation to adviser-director, Mrs. John Hill.

When membership requirements called for revision, the Cloak and Dagger constitution underwent change.

At one of their regular monthly meetings in October, the student actors viewed a film, "Make-up for Boys."

**DIRECTOR'S REWARD**—Mrs. John Hill shows surprise and delight as the cast of the Cloak and Dagger Club play present her with a gift for her help.

**FROM FOOTLIGHTS TO PUNCH BOWL**—Russell May, Brenda Carpenter, Martha May, and Karen Coleman line up for refreshments at their after-performance cast party.

# Librarians Put Zip into Mail and Treasury

To supplement the content of their club coffers, student librarians conducted a sale of zip code directories. Each had a quota of three books which were priced at \$1.25 apiece. Beginning in late January, the project allowed members to collect welcome profits while simultaneously speeding postal service.

Monthly programs often included games intended to develop library-related skills. Planned by the program chairman, Frances Smith, the contests included scrambled words, spelling, and identification of authors.

After being inducted into the Library Club in October, new members enjoyed a party veterans had prepared for them.

Newly-elected officers took charge in May after they had taken their oaths of office at an April installation.

Warm spring weather and good food formed the basis for the organization's main social event. A picnic on a local farm provided fun and fellowship in mid-May. Under the direction of chairman Sue Shifflette, the social committee planned the event.

## FRENCH CLUB

# French Club Initiated

Appearing among CCHS organizations for the first time, the French Club launched an effort to stimulate interest in the language of France and the French-speaking areas of the world.

After an election of officers at their initial meeting, members listened as their adviser, newcomer Mrs. Irvin Wolf, shared some of her experiences in the country famed for romance. She described the climate, coastline, foods, and countryside and illustrated her facts with slide.

Contributing \$1.00 dues, twenty-one students filled the roll. At several regular meetings, they heard records which created an interest in the music of France and provided an introduction to some of the country's popular singers, musicians, and entertainers.

Special projects were evidence of the group's interest in French life.

*Kathy Bede, Rosalind Henson. Third row:* Charles Perryman, Margaret Graves, Douglas Steele. *Missing from picture:* Marion Jones, Maxine Clark.

# Newspaper Inaugurates Monthly Awards

For the first time *Pepergram* staff heads gave special recognition to outstanding student journalists. They initiated the Reporter of the Month Award which was given to the reporter who submitted the best writing in each issue.

Among those receiving the prize were Linda Kite and Ellen Baker. Space reserved in the *Pepergram* informed the student body of the writers' achievements.

Adviser Mrs. Wayne Duncan accompanied five staffers to the University of Richmond on November 9 for a newspaper workshop. Joan Rudy, Linda Kite, Michael Green, Charles Petty, and Keith Pickerel attended criticism clinics and classes on writing skills.

Participating publications received ratings, and the *Pepergram* earned an "excellent" label.

Covering the lighter side of CCHS life, Mary Verduce and Anne Bell wrote a regular column, "A Gram of Peper." Encouraging scholastic achievement, each issue included A/B and A honor rolls.

**SOLVING LAYOUT PUZZLE**—Brian Young, editor-in-chief; Mrs. Wayne Duncan, adviser; and Carolyn Abernathy, business manager, fit advertisements to *Pepergram* pages as a deadline draws near.

# Yearbook Returns to Publication Custom

After two years of business with a local printer, the Colonnade returned to the original custom of dealing with an out-of-town firm. Principal Glenn Piper signed a contract with a company which specialized in yearbook publication.

Bright lights glared and cameras clicked in September when students sat for individual pictures. Seniors were allowed four poses.

Layouts drawn on a new system of numbered lines became quicker and more accurate. The addition of a new tool, the scalograph, allowed staffers to blow up pictures to fit layout space

without cumbersome mathematical calculations.

Photographers scurried through halls, catching students in every aspect of life at CCHS. Classwork, sports, and organizations filled the pictures.

In order to meet deadlines, groups of staffers held several Saturday workshops in January and February.

Representatives of the yearbook traveled to Lexington in spring for the annual Southern Interscholastic Press Association Conference at Washington and Lee University.

# Band Marches for Shrine Bowl Classic

After marching through Roanoke in a televised parade, bandsmen performed with more than thirty other bands and a thousand voice chorus at the Eighteenth Annual Shrine Bowl Classic November 2. Their show was part of the half-time ceremony of the Virginia Polytechnic Institute—Virginia Military Institute freshman football game.

Paying \$2.00 admission charge and transportation costs, the NOVA Shrine Club and the Culpeper Parent Band Association sponsored the trip. The band was the second outside the Roanoke area to be invited to participate in the event.

Adding spirit to all home and football games, student musicians travelled to two games at other schools to lend support to the Blue Devils.

Concert band try-outs fell early in November, and soon after practice for the annual Christmas concert began.

Presenting both secular and religious numbers in the concert December 15, the group conveyed the glory of the Yuletide season and the beauty of winter. "The Clock in the Toy Shop" depicted animated toys full of the Christmas spirit. Handel's "Hallelujah Chorus" concluded the program.

Going by bus to Vienna, several bandsmen competed in January for positions in their area band festival.

Winchester hosted the marching band at the Apple Blossom Festival in the spring. Recognizing senior members and awardwinners, the concert group presented their traditional spring concert in late May.

Culpeper firemen gave the band the opportunity to march through municipal streets in their annual parade. Afterwards, a carnival awaited the group.

## FUTURE HOMEMAKERS OF AMERICA

# Citizenship Provides Theme for FHA

With "Citizenship Challenges You" as a theme, Future Homemakers planned monthly programs and activities to encourage interest in improving home and community. Mr. Floyd Binns, faculty member at CCHS, set the tone at the November meeting when he spoke to the group about "Citizenship for the Young Adult."

In the following months, members invited civic-minded adults to address them on such

topics as "Family Citizenship," "My Job," and "Respect for Laws." Club members themselves discussed "Home Safety." As special projects the girls dressed the teachers' table in the cafeteria during holiday periods.

Besides traditional FHA Week activities, members began to revise their handbook. They updated its rules so its guidelines could be more accurate.

## FFA on District List

Two delegates, Wayne Brown and Oliver Brown, traveled forty-five miles to the annual meeting of the George Washington FFA Federation at Stafford High School September 17. Choosing officers for the year, the representatives from approximately ten schools elected John Inskeep of the Culpeper chapter as their secretary.

Scholarship committee members, led by David Van Lieu, presented a film on concentration at the November meeting.

Moving from the school shop to a wooded area, the Keep Virginia Green Crew reviewed fire-fighting principles. Crew chief Nolan Clark and vice chief Stanley Hawkins headed the KVG group of eighteen. Local forest wardens directed the boys.

# Conference Delegates View Teen Crisis

"Teenage Crisis" was the theme of the annual Northern Virginia District Y-club conference held October 19. A group of delegates traveled to Strasburg High School, which hosted the gathering of Hi-Y's and Tri-Hi-Y's from about ten area schools.

After hearing a keynote address, Culpeper representatives adjourned to discussion groups where ideas on student-teacher relationships evoked sharp debate. Representatives from different schools discovered differences in attitude and policy within their own state and Y-club district. Greatest contrasts existed between city and small town or rural classroom atmospheres.

To finance the trip Model General Assembly delegates would make in May, the boys operated the popcorn machine at home basketball games and wrestling matches. Profits raised helped pay expenses of the members who participated in mock legislative procedures in Richmond.

Strengthening ties between school and church, the Hi-Y worshipped together in various community churches. In this monthly activity the boys visited Baptist, Presbyterian, United Methodist, Lutheran, and Catholic churches.

CLEAN SLATE FOR HI-Y—David Owen and John Hoffman wash blackboards for the club's Saturday school clean-up, which was their service project.

CHRISTMAS CHARACTERIZATION—Reverence is reflected in the attitudes of angels and Hi-Y wisemen Robert Inskeep, John Hoffman, Stephen Southard. Samuel Walker poses as Joseph while Andrew Davies, Stephen Will, and Brian Young are shepherds in the pageant presented jointly with the Tri-Hi-Y.

# Tri-Hi-Y Contributes District Veep

SUNLIGHT ON PSALMS—Tri-Hi-Y members join in a responsive reading at their November induction service held at the Methodist Church.

Hosted by Strasburg High School, fifteen Culpeper girls joined representatives from ten other localities at the Northern Virginia District Y-Club Conference, October 19. Previous to an election of officers, they heard candidates for district offices explain their qualifications. Dale Alther of Culpeper became the new vice president.

Members observed Hi-Y Week, October 27 through November 3. A special committee of five publicized the purpose and platform of the club through newspaper articles, radio announcements, and posters. On Sunday the girls attended Precious Blood Catholic Church.

Linda Schaeffer and Stephen Will, presidents of the Tri-Hi-Y and Hi-Y respectively, inducted new members into their organizations on November 10 at the Culpeper United Methodist Church. Mr. John Peifer, former CCHS teacher who devoted many years to Y-Club work, spoke of the many worthy projects of the club.

The sale of Christmas bows provided a money-making project that started in December. Later in the same month, members joined with the Hi-Y to present their traditional Christmas program to the CCHS student body, given on December 20.

# Representatives Travel to Fall Convention

Langley High School in Winchester was the scene of the DECA fall rally held October 23. After registration, the twenty-one delegates attended a forty minute general session and then divided into small conference groups.

Distributive Education I students found a new contest on sales judging discussed in their group. Merchandising presentation on the DE II level was also set forth as a possible field for competition.

In the last stages of their training program, representatives in DE III conferred on lengthening DECA Week to a month. A special training meeting introduced officers to advanced parliamentary procedures.

Following a turkey dinner, the delegation mingled with other area club members during a social hour in the gym.

To finance the rally trip and their annual Employer-Employee banquet, the club sold Mansion chocolate bars. Treasurer Ronald Deal managed the sale of the fifty cent bars, and prizes of six and four dollars were given to the top and runner-up salesmen respectively.

# 4-H-ers Hold Achievement Day At Bank

Hosted by the Culpeper National Bank, Eager Beavers celebrated their achievement day in downtown Culpeper on November 16. Many members received shiny medals as rewards for their project work and for their participation in special club events.

Ceremonies on the program agenda also included the formal initiation of new 4-H Honor Club members. These students had exhibited outstanding merit and ability in their activities.

At several of their monthly meetings Eager Beavers found greatly improved contacts with nation-wide 4-H organizations through the use of audio-visual aids. The club saw films on important

and interesting events such as the 4-H Congress in Chicago. One movie allowed the group to vicariously tour the 4-H Center in Washington, D. C.

Individuals prepared projects in their particular areas of talent and, as required, presented their accomplishments to the entire club. The projects included clothing, food preparation and preservation, and home improvement. Others were electricity, swine, operation and proper care of tractors, and gardening.

General discussions about these topics informed all members. To improve their explanation deliveries, Eager Beavers listened to tape recordings of their presentations.

# Junior FBLA Chapter Aids Senior Project

Lending their selling abilities to the senior organization, members of the Junior Chapter of the FBLA participated in the FBLA's principal financial venture of the year. For the first time they sold Tom Watt kits, which included a wide selection of novelty and useful gifts.

Junior members who took part were considered in the competition for top salesmen. Brenda Carder grabbed the ten dollar award for ranking first in sales while Darlene Campbell won five dollars for being in second position. Both girls sold over one hundred dollars worth of merchandise.

Hosted by the FBLA, the junior chapter welcomed new members into the club at a festive October meeting. The initiates and old members enjoyed a social hour and refreshments.

Former FBLA member Mrs. Arlene E. Brown spoke to the group in November about her career in banking and her experiences as manager of the South Branch of the Culpeper National Bank.

**FINANCIAL VENTURE PROPOSED**—President Linda Frazier, secretary Linda Clatterbuck, Dale Taylor, and treasurer Brenda Stanley explain the senior chapter's project for raising money.

# Business Leaders Begin Novice Chapter

In keeping with the state project of chapter promotion, several members, officers, and sponsors of the Future Business leaders of America traveled to Rappahannock High School to start a first-time chapter in that school. Culpeper FBLa-ers advised the fledgling group there on electing officers and participating in contests.

Karen Pierce, Virginia FBLa president and historian of the local chapter, spoke to data processing students at Piedmont Vocational School. Her goal was to arouse interest in forming a chapter there.

FBLa-ers conducted a used book sale from August 22 to September 1. Using their imagination and artistic talents, other members created bulletin board displays in business classrooms.

Adding a personal touch to a treasury booster, the group posed for a picture which was to be used on the wrappers of Mason Candy which they sold later in the year. Members who attended the Masanetta Springs Training Conference and the National Convention in Washington, D. C., told about their activities at the September meeting.

Signaling the beginning of a brand new type of financial project, Tom Watt kits were displayed at the October meeting. During a social hour for new members, the club examined the collection of miscellaneous gifts and household items priced from \$1.00 to \$1.50.

# Club Gets a Face-Lift

Changing both name and club policy transformed the Girls' Monogram Club into the Girls' Athletic Association. Although the awarding of Junior Varsity letters was discontinued, girls with experience on the baby teams qualified for membership.

Completely revising their constitution, the club adopted a point system as criteria for continuing membership. This promoted activities among the girls, who were rewarded with points for participation.

GAA'ers took advantage of the hearty appetites that crisp football weather brought on, and members served in shifts selling popcorn to hungry fans. Tasty profits promised financial room for other projects the group wished to undertake, among which was a hayride in the spring.

## VARSITY CLUB

# Lettermen See Virginia Cavaliers' Victory

Surplus funds in their treasury allowed Varsity Club members to journey to historic Charlottesville to view a collegiate football game. Eleven lettermen watched the University of Virginia Cavaliers and the University of Maryland Terapins in a fierce gridiron battle.

Triumph for the Cavaliers was cause for celebration, and the group enjoyed a victory feast before the forty-five mile bus trip back home.

Monthly programs often included films of collegiate and professional football matches. Among these was the bout between Virginia Polytechnic Institute and Kentucky University.

To increase the content of their treasury, the boys sold soft drinks at junior varsity and varsity basketball games. Under the direction of president

Stanley Hawkins, they worked in shifts to serve thirsty Blue Devil followers.

During spring sports, the Varsity Club established the first concession sales at the track meets and baseball games. The refreshment committee members carried the project.

Newcomers underwent strange transformations for their March initiation. Feminine wardrobes and gobs of lipstick and eye shadow disguised muscles and battle scars.

Basketball competition between the male faculty and veteran club members that night was livened by a mystery player who appeared on the students' team. New members suffered initiation rituals in the locker room after the game.

ATHLETES' ADMIRATION SOCIETY—Secretary-treasurer Gary Lillard and Joseph Coates give approval to Stepehn Southard's new Varsity Club jacket with the Blue Devil emblem displayed.

## CHEERLEADERS

# Cheerleaders Form Official Clubs

With the assistance of sponsors Miss Eloise Armbrister and Miss Florence Brower, Varsity and Junior Varsity Cheerleaders drew up constitutions, establishing their squads as official clubs. This new status allowed greater freedom for pep-promoting activities and gave the girls voice in the Student Cooperative Association.

For the first time, Culpeper cheerleaders yelled at girls' athletic events that took place outside the home field and court. Four Varsity and four Junior Varsity squad members traveled with the teams on their bus trips, encouraging the girls with songs and rousing chants.

Originality in the cheers created by the 1969 Varsity Cheerleaders brought fresh interest in CCHS's athletic activities. The Junior Varsity group, green except for returning captain Dru Curd, added patriotic color to their saddle oxfords with small blue and gold pompoms. By selling programs at Varsity matches, they boosted the Blue Devils' athletic fund.

"COME ON AND YELL!"—Margaret Christensen coaxes Culpeper fans to support the Devils.

VARSITY CHEERLEADERS—*Kneeling:* Linda Fisher, Karen Pierce, Catherine Sumner. *Standing:* Kay Mustain, Connie Stanley, Carolyn Avernathy, Mary Crane, Margaret Christensen.

**VICTORY DANCE**—Celebrating a hard-fought touchdown, Linda Fisher and Catherine Sumner twirl before exuberant fans, while the band thumps a beat.

**WATCHFUL WAITING**—Peppy but pensive Junior Varsity Cheerleaders anxiously await the outcome as the Baby Devils battle with Spotsylvania.

## SPORTS

With goals of physical excellence in mind, athletes strived for superiority in competition. Together coaches and teams anticipated approaching games while practicing continuously beforehand. Undefeated, the cross country and Girls' J.V. Basketball teams obtained first place in the district. Through practices and experience in play, teams developed sportsmanship and fitness.

# Blue Devil Nine Trounce Hornets Twice

Although the 1968 Blue Devil nine had four senior lettermen in the starting line-up, they were plagued by errors and inability to produce runs under pressure throughout the season.

Two of their three victories were against Orange, thus completing the Devils' clean-sweep over the arch-rival Hornets during the 1967-68 sports year.

**LOOKING FOR A HIT**—Randolph Hoffman swings at the pitch as the Little Devils swamped the Falcons, 8-1.

With a 1-7 record at the time, Culpeper started sophomore William Yowell against the Hornets' Wagner Watson.

Culpeper batmen scored one run in the fourth inning and three in the fifth as Yowell pitched no-hit ball until Randolph Johnson replaced him in the sixth. The Devils held off a last inning rally to win, 4-2.

In the second match with Orange, Devil bats struck for eight runs on eleven hits, high for the season, as they trounced Hornets, 8-3.

With his teammates scoring eight runs in support, Michael Curtis led the Little Devils to their sole victory by holding the Fauquier Falcons to one unearned run.

# Devils Undefeated in Regular Season

**RECORD BREAKER IN ACTION**—David Buswell, a member of the record-breaking 880 relay team, sprints from the starting block against the knights.

In six meets the 1968 Blue Devil Cindermen earned an undefeated regular season record, averaging 77 points against their opponents' 56.

Winning the Battlefield Relays for the first time in the school's history, the Devils trounced their nearest rival, Orange, by 33 points. Michael Carpenter won both the discus and the shot put and was high scorer with 12 points. In no event did the Devils finish worse than second.

With 13 schools in competition, Culpeper tied Stafford in the Rappahanock Relays, 56 to 56. Earning third in the district meet the Devils had 49, Varina 53, and Stafford 66 points.

Throughout the season, the Blue Devils broke seven school records. Gregory Turner jumped 20 feet, 10¼ inches in the broad jump. Michael Carpenter hurled the discus 157 feet, seven inches for the school and district record. David Buswell sprinted the 220 in 22.5 seconds, and David Van Lieu ran the two mile in 10 minutes, 31.8 seconds. Mike Green set the record in the triple

In the 880 relay Ronald Mills, James Stewart, Gregory Turner, and David Buswell sprinted the distance in 1 minute, 34.4 seconds.

In the last meet of the season Culpeper led Orange 67-64 going into the mile relay. The outcome of the meet hinged on that single event. As the baton changed hands for the last 440 yards, Turner, Mills, and Ferguson had built a 50 yard lead. John Durrer of Orange closed the gap, but Alan Myers stood off the challenge to give the Devils victory.

# Devilettes Register Outstanding Season

**ANOTHER STRIKE:** Brenda Baldwin strikes out another Stafford batter. Culpeper lost 17-0.

Under the expert eye of Coach Floyd Binns, the Devilettes registered a good season despite two losses from the Stafford Squaws. As always, the Squaws have proved quite a test for the Culpeper team. Both games were lost by Culpeper mistakes.

Culpeper opened the season by walking away in their first win over Fauquier. Barbara Clatterbuck began on the mound for the Devilettes, but Brenda Baldwin had to come to her rescue in the first inning with four runs across and only one out. Brenda went the rest of the way. Lois Cottom connected for two homers and a pair of singles. Josephine Yates singled in the first to drive in two runs and hit a three-run homer in the third.

Albemarle provided little opposition in either game played against Culpeper. In the first game with Albemarle, Ann Green made her debut as a pitcher after Brenda Baldwin had started. Errors contributed much to the scoring on both sides.

In the 13-2 victory over William Monroe, the Devilettes had 16 hits and two errors while Monroe, with two mistakes, garnered only four hits.

Errors cost both Stafford games for Culpeper. The Squaws scored 11 runs before the Devilettes began to play ball in the first contest.

In the later Culpeper-Stafford tilt, a Devilette rally died when a runner left base too soon and another was out when struck by a grounder.

Brenda Baldwin pitched a second superb game against the Fauquier Falcons. Gale Cunningham homered with two on in the second. Barbara Clatterbuck and Emma Porter each had two singles. Betty Settle led the locals with three singles and scored four runs.

**TYING THE SCORE:** Lois Cottom, sneaking behind the catcher, races home to capture one needed run during the Stafford game. Linda Dent of Stafford awaits the ball to stifle the runs.

**AWAITING THE PITCH:** Ann Green stands with a look of determination on her face as she prepares to slug the ball.

## Golfers Break Even Harriers Unbeaten

After a one-year lay-off Culpeper resumed its golf team and finished the season with .500 record.

John Kirkham, David Martin, and David Yancey, Senior members, along with Sanford Batten participated in state tournament on May 10 and 11, 1968. Twenty-six group I-B, group II, and group III schools attended the tournament at Shen-Valley Country Club in New Market.

After the first round of play, Culpeper placed 4th, John Kirkham leading the team with a par 70, the second best score of the day. At the end of the second day of play Culpeper had dropped to 9th place as Kirkham finished the meet with a one under par 139, two strokes behind the leader. Following Kirkham were Sanford Batten, 161, David Martin, 167, and David Yancey, 164.

In its second year of existence, the Blue Devil Cross Country team rolled to an 11-0 record. Led by David Gulas, who broke the school record four times throughout the season, the Harriers posted five perfect scores with Culpeper runners capturing the first five or more places.

In their closest meet of the season, the Devils edged past the Albemarle Patriots, 25-30. Randolph Fields of the Patriots took first place, setting a course record of 11 minutes 23.7 seconds. By taking second, fourth, fifth, sixth, and eighth places, the Devils assured themselves of the victory.

On November 9, David Gulas, William Yowell, Chip Utz, Scott Yancey, Gregory Pierce, Stephen Southard, and John Hoffman traveled to Williamsburg for the Virginia 1B State Meet. With Gulas placing fifth out of 85 runners, Culpeper placed fourth behind James Wood, Handley, and Alleghany High Schools.

## Blue Devil Eleven Downs Varina, Madison

With only four returning letterman and three seniors, the Blue Devils consisted primarily of sophomores and freshmen. Throughout the season lack of experience and injuries to key personnel hampered the squad.

In their first victory of the season, the Devils battled Varina to a 0-0 deadlock through most of the first half, but with less than two minutes left, Culpeper moved the ball to the Varina 40 yard line. From there, quarterback David Small fired a forty yard pass to William Thornhill for the score. After the extra point attempt failed, the half ended with Culpeper leading 6-0. In the second half neither team could make any progress. Varina's only long drive was stopped by a fumble, and the Devils held on to preserve the victory.

In the Madison game quarterback Small threw two scoring passes to Luther Stanley and scored a touchdown and an extra point to lead the Devils to their second victory.

# Little Devils Scalp Indians, Tie Fauquier

Plagued by injuries and lack of interest, the Junior Varsity football team disbanded after compiling a 1-4-1 record; remaining players joined the Varsity Squad. Highlights of the season were a victory over Stafford and a tie with Fauquier.

In the game against Stafford, the Indians jumped to a 7-0 lead late in the first quarter. In the second quarter Culpeper got possession on their own forty-five when Stafford fumbled on fourth down and less than a yard to go. On the first play quarterback Kenneth May fired a long pass to William Thornhill who caught it on the twelve and raced in for the score without breaking stride. After an unsuccessful extra point attempt, the score remained 7-6, Stafford. With the powerful running of Robert Jenkins and Edward Lee, the Little Devils moved the ball to the Stafford eleven yard line midway through the third quarter. From there, quarterback May ended the drive by scoring on an end sweep. Again, the extra point attempt failed. Throughout the remainder of the game the Little Devils held the Indians scoreless and pulled out the victory, 12-7.

In the opening game of the season, Culpeper met the Fauquier Falcons. For three and a half quarters both teams battled to a 0-0 deadlock, but midway through the fourth quarter, the Falcons drove in for a touchdown. The extra point attempt was good, and the Fauquier led 7-0. With only ten seconds remaining in the game, the Little Devils drove to the Fauquier ten yard line. On the final play of the game quarterback Kenneth May dropped back to pass, but was caught and tackled. As he fell, he desperately heaved the ball into the air. Edward Lee made the catch on the twenty-two and headed for the end zone with William Thornhill leading interference. Lee crossed the goal line as the gun sounded. On the next play, Kenneth May scored the extra point on a quarterback sneak, and the game ended in a 7-7 tie.

Tied 41 to 41 at the end of three quarters, the Baby Devils went on to defeat the hosting Mustangs of George Mason High School, 56 to 47. Larry Greene with 19 points and David Gulas with 14 points led the fourth quarter outburst against the junior Mustangs.

Seeking revenge, the Mustangs invaded the Devil gym in a return game only to be trampled again by the Dinks, 79 to 51. Larry Greene with 21 points was again leading scorer but shared honors with teammate Larry Jenkins who also had 21 points.

Spotsylvania's baby Knights were the victims

ALL ALONE—After receiving a pass on a fast break, William Thornhill lays it up for an easy two points as the Devils edge Spotsylvania 83-80.

## Novice Cagers Top Spotsylvania Twice

After edging the Knights 83-80 in their first meeting for Culpeper's first district victory, the Cagers traveled to Spotsylvania for a repeat performance. William Thornhill erupted for 28 points to lead the Blue Devils to an 87-81 come-from-behind victory over the Spotsylvania Knights. Spotsylvania took an early lead, but throughout the first three quarters the Devils stayed close. At the half Culpeper trailed 47-44 but battled the Knights basket for basket in the third period. Then midway through the final quarter, Thornhill began an outburst that pulled the Devils to victory. Thornhill sank a two pointer, then another. He added eight foul shots, another basket, and then the Devils were free.

Stomped by George Mason early in the season by 28 points, the Blue Devils gained revenge and broke the Mustangs in overtime. Down by 11 points in the fourth quarter, Gary Lillard rallied the team by driving for a lay-up through three

The big star for Culpeper was William Thornhill, who won the high scoring honors with 30 points in the overtime period. Thornhill's final effort was the game winning shot from the corner as the buzzer sounded. Scrappy defense held the two Mustang high scorers to a total of 16 points. Ronald Utz chipped in 13.

In the District Tournament, William Thornhill scored 34 points, but Culpeper stilled bowed to Stafford. Culpeper and Stafford fought an even first three quarters as both teams played a full court press. The Devils, however, got themselves into foul trouble early in the game, and Gregory Pierce sat out most of the second and third quarters. By the end of the game the starting five had a total of 23 fouls.

# Usage of Plays Camouflage Inexperience

Under the watchful eyes of coaches Patricia Cullen and Anne Yeatts, the team learned new plays which stymied other schools. This was the first season captains could maneuver the team easily and strengthen cooperation. Plagued by inexperience, the team recruited freshmen and sophomores to add depth to the squad.

Albemarle out-scored Culpeper 25-11 in the first half and coach Patricia Cullen blamed the first game on jitters. After a great comeback in the second half, scoring 23 points to 11, Culpeper lost by only 2 in the closing minutes.

Arch-rival James Monroe suffered defeat in a tense overtime on Culpeper's own court. Aided by Diane Jones, Patricia Ankers clinched the game for the Devilettes by sinking a needed basket.

Revening a defeat early in the season, Devilettes stomped Fauquier 41-14 at Fauquier. Patricia Ankers was top scorer.

Victory was the name of the game when Culpeper blitzed Stafford 45-22. The top scorer was Patricia Ankers with Diane Jones giving a fine display.

The Devilettes swept a victory over Orange at Orange. Aided by Diane Jones, Patricia Ankers made a final basket which gave Culpeper a win of 39-29.

Traveling to James Monroe proved costly to the Devilettes. James Monroe coasted to a 41-21 win.

In a tensely exciting game, the Squaws downed Culpeper 30-28 at Stafford.

The Culpeper Devilettes, playing on their own court, avenged an earlier defeat by beating Albemarle 39-34. The local girls were ahead 25-10 at the half but Albemarle came back strong to draw within five points of Culpeper.

Defense was the name of the game as Culpeper downed Orange 29-14 to end their season at home. Coach Patricia Cullen substituted freely in the third quarter, but played seniors in the final period as it was their last home game.

## GIRLS' JUNIOR VARSITY BASKETBALL

# Jayvees Capture Battlefield District Title

Capturing the district title proved to be the highlight of the Baby Devillettes' season. With a record of 10-2, Coach Ina Kate Carter's jay-vee squad suffered their two losses in non-district games.

Both defense and offense improved as the season progressed. Practice and drills overcame inexperience and raised point scores in all their games.

Jayvees went on a scoring kick and over-powered Orange 35-7. This was the most points the Baby Devillettes scored this season. The team finally started working together and showed improvement.

Fauquier's team pressured the Culpeper jayvees constantly during the game. Fauquier controlled the ball throughout most of the game, but Culpeper, utilizing its defense advantageously, rallied in the final period to come out victorious.

The game was exciting during all four periods because scores ranged within two points of each other. Culpeper surged ahead with three seconds remaining in the fourth quarter on a lay-up shot by a returning sophomore.

For an overall season record, Culpeper tallied 238 points to the opponents' 149. Baby Devillettes showed sportsmanship, teamwork, and an enthusiasm to overcome all their opponents.

## GYMNASTICS

# New Equipment, Night Practices Aid Team

Purchasing uneven parallel bars and a balance beam increased areas of competition for Culpeper's young gymnastics team. Contest entries last year were limited to floor exercise, tumbling, vaulting, and parallel bars. Because the gym was inaccessible directly after school, Miss Anne Yeatts, head coach, held practices during week nights.

Gymnastics began last year with Coach Patricia Cullen's help. Each girl participated in two of three meets she attended. Paula Wood won first place in Beginner's Trampoline, while several other girls placed fifth and sixth in various events.

With four meets scheduled for the second season, the girls worked to develop the best techniques in each class. Previous experience proved helpful to returning lettermen by enabling them to understand scoring and basic fundamentals.

# Grapplers Lose Only One District Match

Varsity wrestling team compiled a 7-5 overall record, 3-1 in the district, for a winning season. The grapplers' only district defeat came at the hands of powerful Spotsylvania, who was undefeated in district competition. Kenny Mills gained status on the team as a senior with his undefeated record of 11-0.

Spotsylvania gave Culpeper its only district defeat, 23-21, in an excitingly close match in which the lead changed hands several times. Spotsylvania took a quick lead, but Culpeper came right back on two quick pins. After the next five matches, Spotsylvania held a seven point edge, but again Culpeper pulled right back with pins from Madden and Ferguson. Our heavyweight, however, was not as fortunate, and Spotsylvania gained a lead of two points for the win.

Culpeper County High School experimented January 17 with an idea in hopes of increasing attendance at wrestling matches. The school scheduled a short period, and at 2:00 o'clock, the entire student body filed into the gym to see Culpeper wrestle Woodberry Forest. With the gym filled with screams, yells, and chants, the Blue Devils received the support they needed from home fans and defeated the Tigers 45-5. Almost all of these fans, however, left when the 3:10 bell rang with the Devils ahead 35-0. Whether or not

the experiment worked won't be known till next season in the new Culpeper gymnasium.

By winning all but three matches, the Blue Devils trampled arch-rival Orange, 43-11.

Staging a surprise, Orange beat both Culpeper and Spotsylvania in the Battlefield District Wrestling Tournament held at Culpeper February 15. Orange had 100 points to second place Spotsylvania's 91 points. Culpeper and Stafford placed third and fourth with 71 and 31 points respectively. Culpeper failed to win a first place, but piled up the second places to keep ahead of Stafford. Culpeper put six men in the finals, but each of them lost by very close decision scores.

The Junior Varsity squad was undefeated in district competition.

After four years of inactivity, the Olympic Council resumed its place among CCHS clubs. Meeting on the first Wednesday after school, the club strove to accomplish its prime purpose of promoting Latin. Members encouraged fellow students to include Latin as a part of their studies.

Students participated in the local forensics contest on March 15. The Exchange Club donated \$125 for prizes. Contests included prose and poetry reading and spelling. Students could submit essays, short stories, or poems they had written. Students participating received extra points on their English six weeks' grades. Along with a new high school, students will have new math textbooks. During the year, the math department reviewed books for adoption.

Mr. Jerald White, General Supervisor of Instruction for Culpeper schools, showed twenty color slides of the new high school to Mrs. John Davies' geometry classes on October 9. The slides were designed to show the practical application of geometry and help the students learn about their new high school.

Mrs. Malcolm Mitchell, Mrs. John Davies, and Mrs. Thomas O'Halloran, Jr. attended the Sixth Annual State Mathematics Conference at the Hotel Roanoke in October.

Trigonometry-Advanced Algebra and honors

math students competed in the Annual High School Mathematics Contest in March.

Geometry students did extra credit projects each six weeks. They also used outside references to help them understand the fundamentals of geometry.

Teachers used visual aids such as films and overhead projectors to help the students to understand material.

The math department held a meeting for all those students who planned to enter math or engineering in college. The teachers explained the courses necessary for preparation and what the colleges expected of the students.

## SCIENCE

# Physics Students Conduct Saturday Labs

On Saturday mornings, physics students who had a C average or better participated in an advanced physics lab to prepare the students for college courses and labs.

Besides work done in chromatography, electrophoresis, spectroscopy, and embryology, the honors science class held weekly seminars. They discussed new ideas and developments in science.

Using logic to find answers, physics students used texts on vectors.

Armed with meter sticks and protractors, physics students measured the football field in meters using triangulation. Students studied the use of the slide rule, short and long time intervals, and the stroboscope. It was necessary to

have two sections of physics.

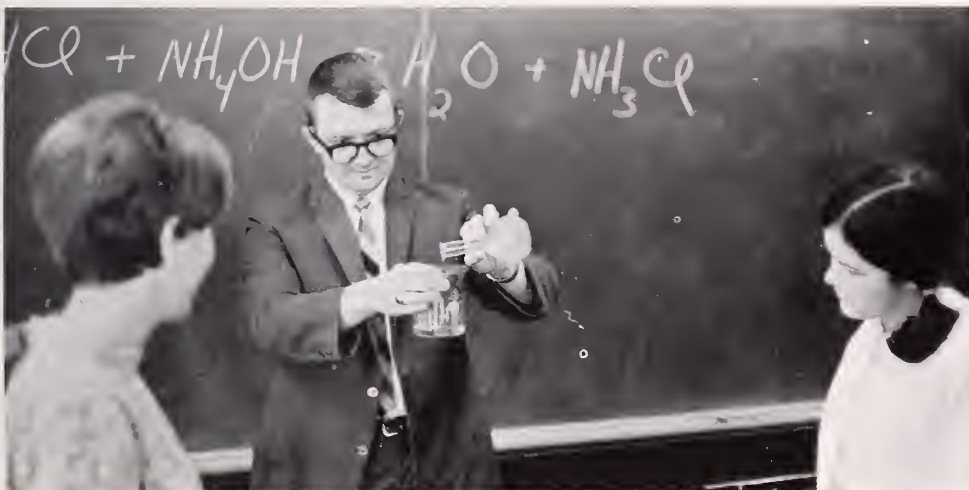

With the use of the overhead projector, the chemistry instructor demonstrated the steps toward lab safety. Students applied these principles to their lab study of elements, compounds, and reaction times, and, as one of their projects, they decomposed sugar.

In biology, lab work received great emphasis. Students dissected worms, frogs, and studied the electrolysis of water. Students saw filmstrips which further explained the fundamentals.

Due to limited time and space, the science department did not hold its annual science fair. Every available space was being used for instruction.

ARE YOU SURE?—Physics students Gary Lillard, Malcolm Mitchell, and Ashby Marks compare notes as they measure the football field in meters.

NOT TOO MUCH—Mr. Thomas Earles demonstrates a chemistry experiment to Dorothy Cave and Mary Ellen Curtis.

Seniors had a chance to watch their local government in action. Nine Junior Town Councilmen observed the Town Council in March and presided over the April Meeting. Students participating had to have a B average in government and not below a C average in other classes.

Government students saw many films on democracy and capitalism. Using the Senior Scholastic magazine, students read and summarized

articles to help them understand current events.

Outside references were used to study communism, and students summarized individual chapters in the textbook.

World History students made scrapbooks containing articles and pictures relating to archaeology and architecture. They also made models of the Parthenon, Pantheon, and other famous landmarks. Students were required to have projects each six weeks.

Government students studied material early on the presidential election since the election was held in November. In a student election, Nixon received the most votes.

The audio-visual equipment in Room 5 was moved into the library. Because of lack of space, the room was needed for classroom instruction.

As in previous years, a summer band program was offered for students and adults. Band classes prepared the students for Area and Regional Bands and the District Band Festival in March.

Art students had notebooks required each six weeks. Students studied famous painters and their techniques. Projects included ceramics, water colors, pastels, op art, and working with the potter's wheel.

Over 170 students from Culpeper, Madison, and Orange counties benefited from the courses offered in cosmetology, data processing, carpentry, drafting, electronics, masonry, motor mechanics, and practical nursing.

Students attended both morning and afternoon classes at the school, located in the former Carver High School on the Orange Road. Three buses, one in the morning and two in the afternoon, took students to their classes. Night classes were offered to adults also.

Home Economics students studied food and clothing. After mid-semester exams, students made dresses. Prior to Christmas, the girls learned the art of decorations. Home Economics students worked with the Future Homemakers of America.

Distributive Education offered students training for future careers. DE I classes taught students

the fundamentals of securing and holding a job. DE II students obtained part-time jobs in town. They spent their mornings in regular classes and went to their jobs in the afternoon.

Agriculture, a four year course, prepared students for a career in farming and provided a basis for those who planned to continue agricultural training in college. Students learned modern farming techniques and farm marketing. Agriculture I students concentrated their studies on plants and Agriculture II on animals. Third and fourth year students studied advanced plant and animal science and farm machinery.

Shop students learned fundamentals in woodcarving, welding, printing, and automobile mechanics.

Due to the lack of time, Home Economics students had to do home projects. Four projects were required during the school year. First semester was devoted to nutrition, and second semester was spent studying sewing and child care.

The tests had to be given in the library due to the large number of students trying to obtain licenses at the Court House.

A wrestling match was held during school hours between Woodberry Forest and Culpeper to enlighten the students as to the rules of wrestling. It was hoped that this would encourage students to come to night wrestling matches.

Physical Fitness Tests were given to all classes. The tests included sit-ups, bobbing, tip-ups, hundred yard dash, and pull-ups.

Ninth grade classroom studies consisted of first aid and health, while tenth graders studied health, and driver's education.

Regular bus drivers transported students to Piedmont Vocational School. One bus went in the morning, and two in the afternoon.

Soft drinks went up from ten cents to fifteen cents.

Both students and adults drove buses. Student drivers left classes ten minutes early, because meetings were often held during school.

Student help was used in the cafeteria during both lunch shifts due to the large number of students eating in the cafeteria.

Mr. Norman Wilbur served his second year as Superintendent of Transportation for Culpeper County.

Through new acquaintances and subjects, and old habits and routines, the students came into sight of their El Dorado.

## SENIOR

# Patricia Ankers Elected Senior President

One hundred eighty-three Seniors left the crowded halls and classrooms of CCHS. An informal survey showed that eighty planned to go to college, forty-five to work, and fourteen into the armed services. Two had marriage as their goal, and forty-two were undecided. Besides preparing for their future, most of the class found time for participating in clubs and athletics and holding after school jobs.

On Class Day dignified Seniors received their '69 COLONNADES and presented a program to the student body.

Selecting invitations, calling cards, and graduation gowns added to the Seniors' enthusiasm near the end of the school year. Graduation brought mixed emotions. Those attending the last scheduled graduation from this school anticipated more comfortable ceremonies in the air-conditioned auditorium of the new school.

# Juniors Select Senior Head-thumpers

RINGS, RINGS, RINGS—Mary Verduce and Anne Bell make a choice of a Senior class ring from the fine selection offered. Ring orders were placed in January in hopes that they would be received fairly early. Any Junior could place his order with a ten dollar deposit, even if he was not sure of graduating. For the past two years, due to early ordering, Juniors have been receiving rings in March.

# Lewis Armstrong Elected Soph President

With the largest sophomore class in the history of the school, 255 tenth graders occupied nine homerooms, five on the second floor, three behind the gym, and one in the Industrial Arts Building.

Sophomores who met specified qualifications were inducted as provisional members into the National Honor Society during a tapping assembly on November 26.

For the first time sophomores were allowed to visit representatives from various schools on College Day to begin serious planning for the future. This activity was held after school instead of during as in the past to make more space available to accommodate interested sophomores.

Drivers' education was a part of classroom instruction in sophomore physical education. Students were exposed to the mechanics and problems involved in acquiring responsible driving habits. Also, for the first time a law enforcement officer administered tests for learners' permits in the library to eligible sophomores.

CLASS OFFICERS—Miss Jeanne Tanner, adviser; Dru Curd, secretary; Mr. Donald Baldwin, adviser; David Gulas, treasurer; Lewis Armstrong, president; Joseph Coates, vice president.

# Kathryn Magura Selected to Guide Class

With a massive enrollment of 316 freshmen, the school faced the worst crowded conditions in its history. Freshmen were divided into nine either all-girl or all-boy groups. Five classes occupied regular rooms in the White Building while the other four were crammed into the cafeteria, Activity Room, and Industrial Arts Building.

Fall brought the annual SCAT and STEP tests. Guidance counselors evaluated the frosh scores and gave an explanation of future nation-wide examinations.

Frosh discovered the Guidance Office functions of choosing college preparatory, business, or general courses, planning future schedules, examining occupations, choosing colleges, and assisting in personal problems.

**LUNCHROOM HOMEROOM**—Due to the overcrowded conditions of the school, Mr. Albert Wallace's homeroom was forced to occupy the cafeteria along with Mrs. Robert Yeaman's homeroom.

# Youngest Class Takes SCAT, STEP Tests

**INTERPRETING SCORES**—Freshmen Thomas Doggett and Susan Young fill out graphs to represent their percentile from SCAT and STEP tests. These percentages are important as a reference during junior and senior years when applying to college. As juniors, students take the tests again and scores usually improve. Similar to college boards, SCAT and STEP tests measure one's ability and aptitude, giving test-taking experience.

## ADVERTISING

To prepare for future careers students infiltrated stores after school to work or to browse and meet their friends. The by-pass, a pending two-year project, changed plans for shopping centers while providing more suburban facilities and area stores. With these changes the community looked forward to further growth and development, hopefully bringing needed changes and improvements.

## FINIS

Both students and faculty left the twenty-year-old Main Street building for the last time on May 30. Seniors anticipated college and careers, while underclassmen looked forward to entering the new high school in September. Plans and aspirations, focused on the new school, helped students forget their sorrow of departure and anticipate the coming visions of a new, exciting El Dorado.
